Complaints and Violations - Mike Maloy, Chair

Complaint 20213 Pool cage and fence in need of repairs

Was told by Nancy Beatty to write a violation letter and Bob Schroeder was to hand deliver and take it from there. I asked Bob what was going on and he hasn't gotten back to me.

Pool cage appears to have been removed but now a new violation is that pool is not entirely enclosed

*Getting further quotes to close the fence around the pool.

Complaint 20214 RV parked in drive

I visited site and homeowner stated they had been working with Bob and he gave them permission to have it there while working on the house. Assured me that it would be gone by April 7, 2021 and all debris and unlicensed vehicle in drive would be removed also.

*Issue has been resolved

Complaint 20215 RV parked on lawn

Rv has been removed

Complaint 20216 Foul odor coming from golf course maintenance area

I visited site and noticed an odor that smelled like raw sewage or chemicals I have witnessed washing and dumping of chemical tanks in that area. I have a call in to the Highlands county board of health as to what action we can take.

Complaint 20217 Multiple cars parked in lawn, above ground pool in and possible multiple families living there.

Sent violation letter to out of town homeowner and to occupants *New Tenants with a large family. When they were made aware of restriction they began to comply. Complaint 20218 Utility trailer parked in yard

Complaint 20221

Sent violation letter to out of town homeowner and occupant

Complaint 20219 RV parked in drive for some time and utility trailer parked in yard.

Same house as in complaint 20214 Rv is gone trailer moved to driveway and appears they are in the process of cleaning up.

Vehicle has been removed

Unlicensed vehicle in drive

Follow up on a violation for fence installed on golf course and not set back 25'. I Talked with Donnie Robinson to see if they had approval from architectural committee, which they had not. Donnie said he discussed the matter with Bob Schroeder and that Bob said he would grandfather it in.

The Organizing Committee continues the process of reapplying for the revival. Ballot counting has been happening over the last several weeks, and as of this point we have reached an important threshold where a 51.7% majority of the 772 parcels/Members have indicated a "DO Consent" to the revival of the Covenants and Restrictions.
